EN sent this 114 request letter to Valero and sent the responses to TCEQ for use in their investigation. The letter is public and posted on our enforcement website. The responses have to be FOIAed. I suggest sending this letter and saying we sent it in support of TCEQ's investigation. (EN agrees with this response.)

David,
Was there ever any resolution from the Valero investigation after Hurricane Harvey?
I'm asking in light of the issues with the latest Deer Park fires regarding ITC.
Thanks in advance,
Jordan Blum
